WELCOME

Andrew and Norah Cass – ANC Full French Charolais – would like to extend a warm welcome to everyone to our annual On-Property Sale.

We have been breeding stud charolais using only full french bulls since 1972 as a part of AYR Charolais, to advance on our own in 2002.

ANC joined over 750 Full French breeders to Full French poll bulls. We also used fully imported embryo (from different female lines) from France's best elite female genetics, unrelated to anything in Australia, in addition to some AI and single sire matings.

At ANC we breed cattle with depth of body which carries right through to deep hindquarters with width, length, plenty of muscle and doing ability. Our cattle have excellent milk, fertility, mobility, temperament, feet and structural correctness with loads of character and brilliant pedigrees.

SALE CATTLE –

Our cattle are born and raised on grass. A couple of months before the sale, they will be given light feed rations and will remain in grassy paddocks to stay fit and retain the ability to walk long distances.

We look forward to your attendance on Friday 27th August 2021 at 12 noon at "Glen Laurel", Guluguba.

PROPERTIES –

GLEN LAUREL is 3727 acres of picturesque softwood scrub country, predominantly buffel and green panic grasses on the northern slopes of the Great Dividing Range, the start of the Central Highlands.

HEATHERLEIGH –

Purchased in May of 2006, squaring up our block.

TIGER MOUNTAIN –

Tiger Mountain - 8km to the west, similar country with some loam to areas of stones.

GLEN VALE – Currently leasing 3400 acres at Wandoan.

Andrew, Norah, Oscar and Archie Cass

CLIENT SUCCESS FROM QUALITY WEANERS

Congratulations to our client John Luck who recently had great success at the Toogoolawah weaner sale.

Here's what John shared with us:

"I topped the weaner sale yesterday at Toogoolawah with calves by your bulls - the steers made \$1800 and the heifers made \$1570 an excellent result. I am very happy with your bulls thanks - John Luck"

See QCL article:
Thursday May 20, 2021

QCL Headline:
"Quality weaner
in demand"

ANC Charolais are very proud of the outcomes our clients are able to achieve. John's success story comes from a line of good crossbred cows which he joins with well boned bulls that produce the calves that grow out in the photos attached.
