WELCOME

Andrew and Norah Cass – ANC Full French Charolais – would like to extend a warm welcome to everyone to our annual On-Property Sale.

We have been breeding stud charolais using only full french bulls since 1972 as a part of AYR Charolais, to advance on our own in 2002.

ANC joined over 600 Full French breeders to Full French poll bulls. We also used fully imported embryo (from different female lines) from France's best elite female genetics, unrelated to anything in Australia, in addition to some AI and single sire matings.

At ANC we breed cattle with depth of body which carries right through to deep hindquarters with width, length, plenty of muscle and doing ability. Our cattle have excellent milk, fertility, mobility, temperament, feet and structural correctness with loads of character and brilliant pedigrees.

SALE CATTLE –

Our cattle are born and raised on grass. A couple of months before the sale, they will be given light feed rations and will remain in grassy paddocks to stay fit and retain the ability to walk long distances.

We look forward to your attendance on Friday 30th August 2019 at 12 noon at "Glen Laurel", Guluguba.

PROPERTIES –

GLEN LAUREL is 3727 acres of picturesque softwood scrub country, predominantly buffel and green panic grasses on the northern slopes of the Great Dividing Range, the start of the Central Highlands.

HEATHERLEIGH –

Purchased in May of 2006, squaring up our block.

TIGER MOUNTAIN –

Tiger Mountain - 8km to the west, similar country with some loam to areas of stones.

GLEN VALE – Currently leasing 3400 acres at Wandoan.

Andrew, Norah, Oscar and Archie Cass
